### **Friday, 10 December**

Anyone interested can take a 5 hour trip downstream from Wekiwa Springs to Katie's Landing, with a shuttle back to the park. We leave from the park in canoes or kayaks (your choice) ca. 9:00 AM (or earlier by consensus). Cost will be \$30 for a single kayak, \$40 for a tandem kayak, and \$35 for two folks in one canoe. We can pay at the park during or just after the meeting. They provide lifejackets and shuttle; individuals must bring their own food/drinks (no alcohol is permitted on spring runs).

**Note: Steering committee will meet at 9:30 on Thursday morning.**
